A PROUD CONTINUATION OF THE CODENWARRA WAGYU LEGACY AND GENETICS

2023 FULLBLOOD & PUREBRED WAGYU FEEDER STEER SALE

AUCTIONSPLUS WEANER & YEARLING SALE
FEBRUARY 10TH, 2023 - 9AM AEST

 **AuctionsPlus**
Buy and Sell stock nationally

AuctionsPlus®

Australia's Livestock Marketplace

Can't make the sale?

Purchase online in eight simple steps!

Log on to AuctionsPlus and bid on your phone, tablet or computer.

1

REGISTER ONLINE

Free once off registration for all auctions.

2

COMPLETE BUYER INDUCTION

The buyer induction will help you understand the roles and responsibilities of everyone on the AuctionsPlus system.

3

VIEW CATALOGUE

View photos, videos, pedigrees and more.

4

ENTER AUCTION

Log into the auction anytime, anywhere and bid on your mobile, tablet or computer.

5

AUTO BID

Can't stay for the whole sale? Set your maximum bid on the lot that you want to purchase and let the computer bid for you.

6

CONTACT SELLING AGENT

If successful, contact selling agent to arrange payment and delivery. The agent contact details will be in the catalogue header.

7

PAYMENT

Via the selling agent's terms and conditions.

8

DELIVERY

Arrange transport of livestock at your expense.

CONDITIONS OF SALE

➤ Marathon Wagyu's emphasis on extensive data collection in combination with careful genetic selection provides our clients with confidence in our product. However, our data collection doesn't stop at the farm gate. We request that buyers supply Marathon Wagyu with the following data to ensure we can continue to guarantee a reliable and proven product.

- ➔ 600 day weights
- ➔ All slaughter data
- ➔ A Marathon Wagyu representative to be present at grading with MIJ Camera

➤ Purchased on farm, weighed full at weigh bridge in Emerald, less 5%.

MARATHON WAGYU PROVEN,

RELIABLE GENETICS

MARATHON WAGYU CARCASS DATA

Marathon Wagyu prides itself in extensive data collection throughout the life of its animals. The historical carcass data summarised below provides insights into sire performance, and demonstrates ongoing carcass improvements as a result of careful genetic selection.

SUMO CATTLE CO HIRASHIGETAYASU E 148 (AI) (ET) (SMOFE0148)

E148 was used in the Codenwarra Wagyu herd for over 10 years, producing exceptional quality breeders with proven and reliable maternal and carcass traits.

With over 300 progeny analysed, his progeny are averaging 200kg at weaning (straight off mum, no assistance), 360kg at 400 days and 555kg at 600 days. E148 has had 25 progeny slaughtered, averaging MSA marbling score 9 and a HSCW of 456kg.

MARATHON MICHIFUKU P0011 (ET) (MSMFP0011)

P0011 is one of Marathon Wagyu's impressive upcoming sires. His sire, Sumo Cattle Co Michifuku F154, is a well balanced animal known for his maternal and carcass traits. P0011's dam, Codenwarra X0097 is a first generation Terutani 40/1 daughter. P0011 has outstanding carcass traits boasting a MS of 2.2 with carcass weight of +68. In 2021 P0011 had 75 progeny which averaged 231kg at weaning. Currently P0011 has over 180 progeny.

CODENWARRA HIRASHIGETAYASU L 1299 (MCKFLO 1299)

As the son of Sumo Cattle Co Hirashigetayasu E148 (AI) (ET), L1299 has inherited proven and reliable maternal and carcase traits. His mother MCKFC0345 is a double cross TF148 female going back to the Chiyotake and Hikohime maternal lines. L1299 is now deceased, however due to early recognition of his superior genetics a limited number of straws are available.

SUMO CATTLE CO MICHIFUKU G002 (AI) (SMOFG0002)

Sumo Cattle Co Michifuku G002 is a proven bull with high accuracy EBV's. G002 is 1 of 4 animals from sire World K's Michifuku that has accuracy over 90% on maternal traits and 70% on carcase traits, sitting beside industry leading bulls Sanjiro, F126 and Katsumi. Carcase data results demonstrate G002's potential with an average marbling score of 8.3, HSCW of 433kg and EMA of 89.1.
